Attorney General. BAHH-----------

Enclosing a long reply to ( 233). Soon after the probable changein the charge of the parish was known a petition, signed by nearly 300 per--sons, was transmitted to S.P.G. praying the appointment of Rev J.T. Twining. Before the petition could have reached England they were told that the Rectory had been vacated, and the Rev.R.Willis elected to fill it, and various other appointments

made (282). This "precipitancy" ex--cludes the parishioners "from any opportunity of expressing their wishes" Two meetings were convened, and it was unanaimously declared that the right of of presentation belonged to the parish and in the exercise of that right, the Rev.J.T.Twining was presented, and respectful Petitions to His Makesty and the S.P.G.were adopted praying concurrance.

A resolution was also passed to resist the induction of any other person, and in accordance with this, Mr. Willis! claim was resisted.

It was hoped that he would have respect--edthe feelings of the parish and waited "instructions from England". The delay of a few months could not, they feel sure, "have been disapproved in England". They therefore implore the exertions of the Attorney General to induce Mr, Willis to withdraw for a few months. They are convinced that if this can be doneit will avert much contro--versy. Under the circumstances they feel it their duty to decline the meet--ing proposed by the Attorney General.

> The Attorney General To Rev J.T.Twining A very severe remonstrance, sent in the hope that it will induce Mr Twining to cease from "his lawless proceedings", otherwise there will be no alternative but to proceed at law against him, The A.G.has waited till the end of the year"when every shadow of pretence"on Mr Twining's part to act as curate would be at an end. The A.G. now hears to his astonishment that Mr Twining is acting as Rector and has taken upon himself to dismiss Mr Gray (265)

He will wait to see what effect this caution may have but meanwhile Mr.

(1) That he "conscientiously" believes Mr. Walker to be unfit for the office. (2) That he will not disclose the grounds of his objection except in a public court or openly in Church, and not until the Bishop has told him on what grounds he himself has been sus--pended.
