BUNDLES of Original Papers.

INDEX to CLAIMANTS

These BUNDLES consist of the original memorials, certificates, accounts and vouchers of the various claimants as presented to the Commission. In many cases they are the same as those entered in the set of volumes containing the evidences taken before the Commissioners. In other cases they supplement those papers with correspondence or other material.

Bundles 1 to 10 are the claims for supplies furnished to the Army or Navy, and correspond with the VOLUMES 71 to 76 in the other series. The names are not included in the main part of this Index but are added at the end.
