&c. refolved on; committee appointed to prepare it, 445; pre-pared, 480; referred back to be reconfidered, 487.

To the Governor.

VIII. (3 Sess. A. 1791.)-For his speech at opening the feffion, resolved on; committee appointed to prepare it; speech referred, 3; address prepared, ibid.; read, expressing thanks for the speech; that it is with great satisfaction they receive the information that accounts from Great-Britain present the appearance of peace; that they are happy the measures they have taken to render the fituation of the negroes more happy have met with his excellency's approbation; passed; his excellency appoints to be attended; his answer, 6.

To the Lieutenant-Governor.

IX. (4 Sess. A. 1791.)—For his speech at opening the self-fion, resolved on; committee appointed to prepare it; speech-reserved, 24; address prepared, 25; read, expressing thanks for the speech; that, truly affected by the recent melancholy event of the death of the late earl of Effingham, it affords them great on the deam of the late earl of Emigram, it amoras them great confolation that the reins of government are placed in the hands of his bonour; that they shall cheerfully proceed in raising the necessary supplies for the support of government; that they will exert their best endeavours to put the militia on a respectable footing as being the most autoral and scale scene. able footing, as being the most natural and ready means of protection within their reach; passed; his honour appoints to be attended; his answer, 29.

X. (5 SESS. A. 1792.)—Respecting his honour's speech at opening the session; resolved on; committee appointed to pre-

pare it, 101; addrefs prepared; read; fetting forth that they are truly concerned that the speech made by his honour had compelled them to come to certain resolutions, in judification of their conduct and declaratory of their rights; passed; his honour appoints to be attended, ibid.; his answer, 102:

XI. (6 Sess. A. 1792.)—For his speech at opening the sef-fion, resolved on; committee appointed to prepare it; speech referred, 104; address prepared, 106; read, expressing thanks

To the Lieutenant-Governor ; continued.

for the speech; that, however inconvenient it may be to their private concerns to meet at fuch an unfeafonable time of the year, they shall always be ready to give their attendance as their first and principal duty; that his majesty's gracious atten-tion to their address, in ordering confiderable reinforcements to their affiltance, demands their warmest acknowledgments and gratitude; that the conditions on which this additional force is granted will require and receive their most ferious attention; passed; his honour appoints to be attended; his answer, 107

passed; his honour appoints to be attended; his answer, 107.

XII. (7 Sees. A. 1792.)—For his speech at opening the session, resolved on; committee appointed to prepare it; speech reserved, 119; address prepared, 120; read, expressing thanks for the speech; thanking his honour for having transmitted their humble petition to his majesty; that they will cheerfully grant such supplies as may be necessary for the exigencies of government; and that he may rely on their deliberations being carried on with harmony and dispatch; passed; his honour ap-

points to be attended; his answer, 122.

XIII. (8 Sess. A. 1793.)—For his speech at opening the section, resolved on; committee appointed to prepare it; speech referred, 209; address prepared, 211; committed; reported, great fatisfaction that fuch tranquillity has prevailed as to render it unnecessary for their being called fooner together; that they thould be happy to be informed that the island of St. Domingo was reflored to regular order; that they lament that the commencement of hostilities has created any additional expence, but have the great-st confidence that what was incurred was necessary, and has been conducted with economy; and that they will provide for the exigencies of government with their usual readings; passed; his honour appoints to be attended to the answer.

ed; his answer, 214.

XIV. (1bid.)—Thanking his honour for having opened the ports of the island to neutral vessels for the importation of dry provisions; and fetting forth the calamities that must arise from restrictions on the importation of lumber; motion for an address to this effect, on debate, agreed to, and committee ap-pointed to prepare it, 216; address prepared, committed; reported, ibia.; read, 217; paffed, and fent, 218; his honour's aniwer, 226; referred to committee on state of the island, 228.

A. 1794.) - For his speech at opening the seffion, refolved on; committee appointed to prepare it; speech referred, 284; addies prepared; committed; reported, 285; sead, expreffing thanks for the speech; rejoicing with his homour that the tranquillity of the island has not been interrupted; that the conquests gained by his majesty's arms in St. Do-maingo may be of material advantage to Great-Britain; and lamenting that fickness and mortality in the forces employed there should have interrupted their further fuccess; that they are glad to find no unufual expence has occurred fince last feffion; and that they will cheerfully grant fuch supplies as may be requifite for the service of government, 287; passed; his ho-nour appoints to be attended, ibid.; his answer, 290.

XVI. (10 Sess. A. 1795.)—For his speech at opening the seffion, resolved on; committee appointed to prepare it; speech referred, 367; address prepared; committed; reported, 377; read, expressing thanks for the speech; that the unfortunate insurrection among the Trelawny-Town maroons, and the conference of the back of services of the back of services of the service sequences that have followed, are objects of serious consideration, and well justify their being affembled at this early feafon; that the celerity and vigour of his honour demand the most grateful thanks of the inhabitants of Jamaich; and that it is with great fatisfaction that they, as their representatives, have the opportunity of expressing their sentiments on the occasion; paffed; his honour appoints to be attended, 379; his answer,

XVII. (Ibid.)-Thanking his honour for having detained in this illand a confiderable part of the troops destined for the fervice of St. Domingo, for the purpose of suppressing the infurrection of the Trelawny-Town maroons, and for the zeal and ardour with which he put himself at the head of the troops employed to quell the rebellion; motion for an address to this employed to quell the rebellion; motion for an address to this effect agreed to, and committee appointed to prepare it, 378; prepared, 381; read; paffed; his honour appoints to be attended, 382; his answer, 384.

XVIII. (11 Szss. A. 1795.)—For his speech at opening the fession, resolved on; committee appointed to prepare it, 400; address prepared; committed; reported, 401; read, expressing thanks for the speech; that they most gratefully acknowledge the

To the Lieutenant-Governor; continued.

the ardent zeal which actuated his honour to revisit the scene of action, to take upon himself the command of the troops dur-ing the late receit; that they are fully sensible that the exi-gencles of government will demand extraordinary aids, which his honour may rely on their granting, confistent with the eco-nomy due to their conflituents; passed; his honour appoints to

be attended, 402; his answer, 403.

XIX. (11 Sess. A. 1796.)—Congratulating his honour on the happy and complete termination of the rebellion of the Trelawny maroons; refolution for an address to this effect, and committee appointed to prepare it, 506; prepared, 511; committed; reported, 516; read, 517; paffed, and his honour requested to fignify when he will be attended, 518; his answer,

XX. (1 Sess. A. 1796.).—For his speech at opening the session, resolved on; committee appointed to prepare it; speech referred; 531; address prepared; committee, 532; read, expressing thanks for the speech; that it is with the highest depreming thanks for the speech; that it is with the highest degree of fatisfaction they learn that the intelligence which occa-fioned fo much alarm has been succeeded by accounts of a more pleasing nature; that his honour may rely they feel the value of iccurity too highly not to observe the necessity of con-tinuing on their guard; that they learn, with pleasure, the safe arrival of the maroons at their place of destination; that he

To the Lieutenant-Governor; continued.

may rely on their taking into confideration the expences incurred by their passage and establishment; and that, convinced that union of sentiment in the several branches of the legisla-

that union of tentiment in the jeveral branches of the legiflature will nost effectually strengthen the powers of each, they will, on their part, exert themselves to preserve it; passed; his honour appoints to be attended, 533; his answer, 535.

XXI. (2 Sess. A. 1797.)—For his speech at opening the section, resolved on; committee appointed to prepare it, 644; prepared; committed; reported, ibid.; read, expressing thanks for the speech; that, notwithstanding any inconvenience them. for the speech; that, notwithstanding any inconvenience they may feel at being called together at this season of the year, they readily attend to the higher duty of their station, the public welfare; that they trust the superiority of his majesty's sleets will deter the enemy from attempting any ferious attack upon this island; that they will provide for the exigencies of government in the manner most suitable to the circumstances of the country; and that they will discuss, in the most dispassionate manner, such military arrangements and other matters as his honour may be pleased to lay before them; passed; his honour responsible to be attended; his answery 627. appoints to be attended; his answer, 647.
