Second Book

1817 -- 1834

Original lent for microfilming to the Department of Public Records and Archives by Mr. Alexander Robb, Bloomsbury, Simcoe, Ontario.

This is the earliest volume of London District Surrogate Court Registers that has been found. It appears that the series consisted of three volumes; the first and the third are still missing.

After 1845 a new series of registers was started, Volume A covering the period from 1846 to 1852. These registers are in the City Registry Office, London, Ont. Volumes A to Q-2, 1846 - 1900, have been microfilmed by London Microfilming Ltd. for the Genealogical Society of Salt Lake City, Utah, and the Archives has acquired a positive copy of these films. See our GS microfilm series.

Microfilmed March 1967.
