

INTRODUCTION

These are the minutebooks for the Court of General Quarter Sessions of the Peace for the Midland District. The information contained in these volumes relate primarily to the judicial function of the Sessions court although there are entries concerning accounts, constables (until 1832), ferry fees, assessments, and, gaol and courthouse construction. Researchers interested in other administrative records of Sessions should also examine the Minutes (Adjourned Sessions) available for 1835 - 1849.

Both the Minutes and Minutes (Adjourned Sessions) were received by the Archives of Ontario prior to proper archival accessioning.
