

**Upper Canada. Court of General Sessions of the Peace**  
(Luneburgh, Eastern District and United Counties)  
Minutes: 1789-1948

**Inventory Description**

The following minute books of the Court of General Quarter Sessions for the Luneburgh, Eastern and Stormont, Dundas and Glengary jurisdictions are held by the Archives of Ontario with the exception of those records covering the periods:

1789-1802

1807-1812

Covered by the National Archives of Canada.

This film does include however the draft typescript of the Luneburgh and Eastern District minutes which was prepared by the Archives of Ontario some fifty years ago for publishing purposes but was never undertaken. The 1802-1807 minutes are a copy (period unknown) of the original minutes and the volume for 1812-1826 is a volume of rough minutes. It is not known whether it was ever copied but it is an extremely dilapidated state and large portions may well be illegible.
